Note | Some of the Area and County schools have a 2 week half term, so it means some dates are slightly different in comparison to previous years.

Note | All tournament organisers expect you to bring a qualified umpire to each event, there will be no central umpires provided. However, should schools be struggling, I am sure Sarah Clark NDO or Netball Dorset website may be able to help you source if needed.

Area Tournament Coordinator | Louise Bugler lbugler@budmouth-aspirations.org
