ENGLAND NETBALL COMP LEADS TO REGIONAL ROUND

County Comp does not progress to regional level

Please be advised that schools in each of the four areas will be contacted by their area reps regarding the qualifying area tournaments (this is often shared first week of September).

North Dorset - Asha Francis (Bryanston) [awaiting school email]

Bournemouth - Clare Allen (BSG)

Poole - Hayley McCallister (Parkstone Grammar)

Contact either your area rep or County Schools Rep Louise Bugler lbugler@budmouth-aspirations.org

Interest to the area competitions was again strong this year, with all schools successfully affiliating to England Netball (thanks to the need to confirm this prior to entry competition entry). A new development this year, merging the Schools AGM with the County AGM in a bid to raise attendance.

A huge thank you to Clare, Hayley and Ceri for fulfilling the role of area reps - you have been a huge support and always on the end of an email when needed. We wish Ceri all the best in her new venture, having left Bryanston for pastures new.

Thank you to each of the schools who were able to host either the area or county competitions - please pass on our extended thanks to your senior leadership team for their continued support.

Please may we remind schools, teachers and parents that not all schools follow the same guidance regarding visitors/spectators to these school competitions that run during school hours, and with this we ask that specific arrangements are shared with interested stakeholders to avoid any disappointment on the day of competition, which may prevent them from entering the schools site, despite a long journey that may have gone before.

Congratulations to all teams that entered - the standard of competition continues to rise every year, which is a testament to the local clubs that feed our schools teams. Thank you to Netball Dorset for providing the winners with the spectacular trophies, once again - they looked great!

Finally, congratulations to all of those teams who managed to qualify to either County or Regional competitions - thank you for representing Dorset so well! It was a dominant show for Parkstone & Bournemouth Schools for Girls - well done Hayley and Clare for an outstanding season.
