

Netball Dorset
League Report – Bournemouth Netball Association
March 2025

March 2025 Report

The centre continues to treat moss on a weekly basis on court 8 and now court 4 also. Court 8 is not used due to tennis nets.

December 2024 Report

Bournemouth Netball Association is coming to the end of the Winter League Season.

Court 8 continues to be unusable due to leaves and moss, however replacement nets should be coming soon.

BNA has requested funds to buy a leaf blower/mulcher from the BNA funds they are holding for SDE to use on our behalf. Meanwhile the moss is being treated on a monthly basis.

Application forms have been circulated for the Summer Season.
