

NETBALL SOUTH WEST FINANCIAL HARDSHIP POLICY

Purpose

The purpose of this policy is to establish guidelines and procedures for individual members experiencing financial hardship to help ensure everyone can participate equally.

Background

Netball South West (NSW) is responsible for the management and development of the sport of Netball in the South West region. NSW is one of nine regions that make up England Netball. NSW understands that its members may suffer financial difficulty from time to time. Financial hardship can present challenges to meeting primary needs, much less discretionary activities. NSW acknowledges the role of Netball in the personal, physical and emotional development of all members. NSW believes that no member should be excluded from activity due to cost or affordability if measures can be taken to overcome this.

NSW currently offers funding for the following:

1. Young athletes in the Performance Pathway
2. Volunteer coaches and officials
3. Members carrying out wider voluntary roles.

Legitimate expenses include, but are not limited to:

Travel to training and competition (not foreign), course costs, assessment/qualification costs. The maximum payment to any individual is £200 per calendar year
