

Netball Dorset
Performance Report
November 2024

Trials for U13 PDP have taken place across the County for Bournemouth & Poole PDP, North Dorset PDP and South West PDP. The overall standard of the trialists has improved and the squads contain strong players.

All U13 and U15 squads have started training at various venues across the county – Canford SC, Sir David English SC, Bryanston SC and Wey Valley School.

The U15's have had match play with Somerset and West Devon on 20th October.

Communication with Team Bath is very good. Natalie Roddy has arranged meetings with the County Performance Leads throughout the year. Also she has set dates for County PDP tournaments .

Netball South West have recruited Abby Miles in a role which looks into what is happening across the franchises/performance / county set ups.

Active Dorset have let Erica know that payment for coaches will no longer be possible via their payroll. Erica is investigating alternative methods of payment and is waiting to hear from other counties how they pay their coaches.

All athletes and coaches are looking forward to a successful season..

Linda Cutler
Dorset Performance Lead
