

BOURNEMOUTH NETBALL ASSOCIATION LEAGUE REPORT

July 2025 – Annual General Meeting

The SDE Centre were looking at trying to rehome the tennis nets, but this has not come to fruition, so can only use 7 courts still. The BNA league for summer has just concluded and BNA will be holding pay to play sessions on a Wednesday night during the summer break.

Previous Reports

March 2025 Report - The centre continues to treat moss on a weekly basis on court 8 and now court 4 also. Court 8 is not used due to tennis nets.

December 2024 Report - Bournemouth Netball Association is coming to the end of the Winter League Season. Court 8 continues to be unusable due to leaves and moss, however replacement nets should be coming soon. BNA has requested funds to buy a leaf blower/mulcher from the BNA funds they are holding for SDE to use on our behalf. Meanwhile the moss is being treated on a monthly basis. Application forms have been circulated for the Summer Season.
