

Coaching Directors Report – December 2025

Evening everyone, I hope you are all having a lovely Christmas break and recharge.

The coaching newsletter continues to be circulated, I am trying to keep this to term time, when more is going on around the county and nationally. Thank you to all of have provided feedback and support for this.

I had a positive meeting with Sarah Clark earlier this term, where we spoke about increasing take up of coach courses and content ideas for future newsletters, including linking in with England Netball campaigns.

I have also had a good conversation with Asha from Bryanston, where we discussed the potential for CPD for coaches. My next steps will be to speak with a few of the coaches with higher level experience in the area in the new year to gauge interest in assisting with delivery of this CPD. The hope is to make use of various club training sessions to deliver the CPD and I will be reaching out to clubs about this as well.

I am aware of a number of online courses for coach education coming up, including with Netball Europe, and coaching courses with England Netball, with both level 1 and 2 still available online. Details are routinely sent out with my newsletters when I am aware of them and if any coach would like to be included in the circulation list, please email Samsnewie-24@yahoo.co.uk
