

## PERFORMANCE REPORT – DECEMBER 2025

Following U15 PDP trials, there has been a lot of movement within the squad, due to players graduating to the ADC.

All PDP trials and assessments for U13s have been completed and Dorset continues to offer opportunities for young athletes across the County, (Bournemouth/Poole/North Dorset/SW Dorset). Matches with other Counties have been arranged by Ali and Donna.

In the New Year, Ali, Donna and I will meet to plan for the 2026/2027 season with input from our PDP coaches and Erica, taking into account the increased venue hire cost.

We have made Patrick O'Leary aware of the problem we will have with Active Dorset not being able to process coach payment and suggesting England Netball provide this service as they do with officiating personnel. Unfortunately, EN is not willing to provide this. Patrick has asked us for more information on the number of coaches this will affect.

The Performance team wish you all a HAPPY CHRISTMAS and NEW YEAR

Linda – Performance Director
