

SOUTH WEST LEAGUE REPORT

July 2025 – Annual General Meeting

The league has had a successful year with completion of our winter and summer leagues with 26 teams in our summer season which comes to a close this week. It has been great to see the growth in numbers with new teams entering and increase the athletes getting involved within the league.

Junior athletes from the league continue to progress in performance pathways, with Team Bath and the County. Huge congratulations to all of those involved.

The league has celebrated a number of successes over the year, most recently some members of the league were nominated and attended the One Awards, it was a great opportunity for them to attend the event and be nominated for such brilliant awards.

There are ongoing discussions and considerations regarding an alternative venue due to the planned works at Budmouth in the future.

The league are currently planning our upcoming presentation evening where we can celebrate the successes across the winter and summer seasons.
